INFANT DIES FRIDAY MORNING

Remains Sent to Forest For Burial Friday.

Margaret Rockwell, the six days old daughter of Mr. and Mrs. E. T. Rockwell, of Wood street, died Friday morning at eight thirty o'clock. Death was a result of infantile diseases.

The remains will be shipped to Forest Ohio tomorrow morning at seven o'clock. Interment will be made at the Forest cemetery.

Hundreds Think the Same as the lady who made the following remark in Beatty & Long's cut price shoe store, yesterday: "Well, I have shopped in every shoe store in Marion and you have certainly the prettiest and lowest priced children's red and black topped 'jockey boots' I have seen."

TAX COLLECTION IS QUITE LARGE

Many Persons Are Paying Eagerly and Taking No Chances on Delinquencies.

Although the limit for the payment of taxes will not be reached until January 25th, the property owners in the city and county are not taking any chances, but are paying their taxes quite early. These are busy days in the treasurer's office, the force being kept steadily busy waiting upon those who desire to pay their taxes before they spend all of their money for Christmas presents. The real big days will come just before the close of the season, but already a larger number of persons have discharged their obligations to the county.
